

Help a Child Recover from Trauma

Counselling Resources in New Providence

Traumatic events can happen to everyone, including our babies, children, and teens. But compassionate, expert advice can help kids recover, and provide their families with strategies that support resilience and healing.

Get help fast with our downloadable guide to public, non profit, and private counsellors in New Providence who help babies, children, teens, and their families recover from traumatic events such as:

Abuse & Neglect

Crimes, including gang/racial violence

Grief

Hurricane & Natural Disasters

Sex and Human Trafficking

Bullying

Cumulative life traumas

Medical Trauma

Refugee Trauma
